Bollard Dimensions

Please Visit: Staghorn Bitt Bollard

Material

Cast Steel & Ductile Iron.

Coatings

Fully Painted from our factory.
or
An easily removable rust preventative primer that allows surface preparation & coating after installation.

Rec. Line Angle

0 Degree - 50 Degree

Allowable Line Angle

180 Degree

Additional Notes

A Staghorn Bitt Bollard can handle higher line load angles than Single Bitt and Kidney Shaped bollards. This feature may be of particular importance where very large changes in water level result in significant differences in line angles.

Australian Bollards can provide many of the most popular style bollards, optimized bollards, or cast any new style to meet our customer requirements. It is Australian Bollards mission to provide the bollards or cleats our customers require not just what we offer.
