

AB-SB800-G

Spherical Streetscape Bollards

The Essential First Step

Bollard Dimensions	800mm (DIA)
Colour	Creamy white, with customisation available
Material	Granite
Installation	Sub-Surface mounted
Weight	1000kg
VBIED rating	Yes

**Additional Notes** This bollard comes with high impact inserts which achieve a VBIED rating. It can be used in many outdoor applications to achieve a soft approach to hard security. Customisation in colour, material, size and shape is available.
