

**AB-SB800-CI**  
Spherical Streetscape Bollards

The Essential First Step

Bollard Dimensions	800mm (DIA)
Colour	Black, with customisation available
Material	Cast Iron
Installation	Sub-Surface mounted
Weight	1000kg
VBIED rating	Yes

**Additional Notes** This bollard comes with high impact inserts which acheive a VBIED rating. It can be used in many outdoor applications to acheive a soft approach to hard security. Customisation in colour, material, size and shape is available.
